Mr. John Helgerson  
Director of Congressional Affairs  
Central Intelligence Agency  
Washington, D.C. 20505

Dear John:

Thank you for participating in the seminar on the Congress and the CIA. My impression is those attending found the discussion informative and interesting. The one fact which came across clearly was that Congress is now carefully overseeing the CIA and that there is much interaction between the two institutions.

Again, thanks for coming. You helped create an informative and worthwhile evening.

As you requested, I have attached a list of those attending the seminar.

Sincerely,

A handwritten signature in dark ink, appearing to be 'ER' followed by a stylized flourish.
